   3. Approve the appointment of all committee members, except the members of the nominating committee;
   4. Authorize the disbursement of section funds within the budget approved by the executive council;
   5. Be an authorized signatory on all section accounts;
   6. Coordinate activities and execute the business and policies of the section between meetings;
   7. Review and approve the year-end section financial report;
   8. Provide oversight and guidance to the committee chairs as assigned, and
   9. Perform other duties normally associated with the office of president or as may be assigned by the executive council or the governance documents.

B. The vice president shall:
   1. Assume the duties of the president if the president is temporarily unable to serve;
   2. Provide oversight and guidance to the committee chairs as assigned; and
   3. Perform such other duties as may be assigned by the president, the executive council, or the governance documents.

C. The secretary shall:
   1. Maintain the records of the section;
   2. Provide oversight and guidance to the committee chairs as assigned; and
   3. Perform other duties normally associated with the office of secretary or as may be assigned by the president, the executive council, or the governance documents.

D. The treasurer shall:
   1. Be responsible for the collection, distribution, and safekeeping of section funds;
   2. Prepare, maintain, and report as directed on the financial position of the section in relation to the approved budget;
   3. Submit a financial report to the Society in accordance with established procedures;
   4. Provide oversight and guidance to the committee chairs as assigned; and
   5. Perform other duties normally associated with the office of treasurer or as may be assigned by the president, the executive council, or the governance documents.

**Additional duties may be added as needed to define the organizational structure. These additional duties should not be procedural in nature. The template duties are intentionally generic; the specifics of these duties should be covered in a procedures document. This allows greater flexibility for the section. When adding a duty that you feel is absolutely required, add it prior to the last one in the template, so that "Perform such other duties ..." is always the last one listed.
